

PRODUCT NUMBER: 657 DumoCut 657

DumoCut® 657 is a high quality, cut-resistant glove with a nitrile coating. The deep dipping offers protection over the knuckles and the coating provides a good grip on oily and greasy parts. A mixture of glass fiber and polyamide offers high cut protection, while a seamless jersey ensures excellent dexterity and comfort.

Overview

Reference Number

657

Product Type

Gloves

Range

Cut and Puncture Protection

Line

Cut resistant

Brand

KCL by Honeywell

Brand formerly known as

KCL

Industry

- Automotive and Part Manufacturer
- Building and Construction
- Logistics
- Metal steel

Paper Industries

Product Use

- metal and plastics processing
- handling of sharp-edged materials
- mechanical engineering

- automotive and supply industry
- storage and commission works

Features & Benefits

Feature

nitrile coating deep coating

Benefit

high flexibility very good sensitivity very good grip high mechanical resistance

Technical Description

Description

Knitted polyamide, glass fiber seamless liner. Knitted wrist. 3/4 coated with blue nitrile.

Product Technology

Knitted dipped

Gauge

13

Glove/liner color

Green-blue/blue

Coating Type

Nitrile

Length

215-285

Thickness

1.20

Harmlessness

In conformity with European standards

Sizes

7,8,9,10,11

EN 388 - Mechanical Hazards Abrasion Resistance

Abrasion resistance	3
Cutting resistance (Coupe test)	X
Tear resistance	4
Puncture resistance	1
Cutting resistance (TDM test)	В

Certifications

EU Category PPE

2

EU Certification
