

PRODUCT NUMBER: 736 Tricotril 736

Tricotril® 736 is made in a special manufacturing process: The liner is pulled on the form after the nitrile dipping process. This way, a 100 % impenetrability is guaranteed. The seamless 100% cotton liner allows sensitive working. At the same time, the glove offers good resistance against mechanical risks and various chemical risks. Tricotril® 736 is free from natural latex, the adhesive is based on a solvent-free dispersion - an in-house development by KCL. Tricotril® 736 offers a palm profile for a sure grip. The glove is approved for food handling and processing according to EU 1935/2004.

Overview

Reference Number

736

Product Type

Gloves

Range

Chemical Protection

Line

Heavy chemical

Brand

KCL by Honeywell

Brand formerly known as

KCL

Industry

- Chemical Industries
- Food Industries
- Industrial Cleaning
- Maintenance
- Petro-chemical

Product Use

- handling of contaminated heavy parts
- cleaning and maintenance in chemical plants
- galvanising works
- petrochemistry
- chemical industry

Features & Benefits

Feature

AQL < 0.65 free from natural latex cotton liner is added to the finished glove last, to ensure maximum protection good antistatic and electrostatic properties seamless cotton liner suitable for food handling according to EU 1935/2004

Benefit

broad chemical resistance high mechanical resistance good grip when handling greasy and oily parts allows longer work sessions without fatigue skin-friendly, solvent-free adhesive on the cotton liner

Technical Description

Description

Supported nitrile. Seamless cotton liner. Palm profile.

Product Technology

Dipped

Glove/liner color

Green

Coating Type

Nitrile

Length

290-310

Thickness

1,5

Harmlessness

In conformity with European standards

Sizes

8,9,10,11

EN 388 - Mechanical Hazards Abrasion Resistance

Abrasion resistance	3
Cutting resistance (Coupe test)	1
Tear resistance	2
Puncture resistance	1

EN 374-3 Resistance to

Resistance to permeation by chemicals	AJL
---------------------------------------	-----
