

## PRODUCT NUMBER: 737 Tricotril 737

Tricotril® 737 is made in a special manufacturing process: The liner is pulled on the form after the nitrile dipping process. This way, a 100 % impenetrability is guaranteed. The seamless 100% cotton liner allows sensitive working. At the same time, the glove offers good resistance against mechanical risks and various chemical risks. Tricotril® 737 is free from natural latex, the adhesive is based on a solvent-free dispersion - an in-house development by KCL. Tricotril® 737 offers a palm profile for a sure grip. The glove is approved for food handling and processing according to EU 1935/2004.

**Honeywell**

### Overview

**Reference Number**

737

**Product Type**

Gloves

**Range**

Chemical Protection

**Line**

Heavy chemical

**Brand**

KCL by Honeywell

**Brand formerly known as**

KCL

**Industry**

- Chemical Industries
- Food Industries
- Industrial Cleaning
- Maintenance
- Petro-chemical

**Product Use**

- handling of contaminated heavy parts
- cleaning and maintenance in chemical plants
- galvanising works
- petrochemistry
- chemical industry

### Features & Benefits

**Feature**

AQL < 0.65 free from natural latex R95 good antistatic and electrostatic properties seamless cotton liner suitable for food handling according to EU 1935/2004

**Benefit**

broad chemical resistance high mechanical resistance good grip when handling greasy and oily parts allows longer work sessions without fatigue skin-friendly, solvent-free adhesive on the cotton liner

## Technical Description

### Description

Supported nitrile. Seamless cotton liner. Palm profile. Long cuff.

### Product Technology

Dipped

### Glove/liner color

Green

### Coating Type

Nitrile

### Length

390-410

### Thickness

1,5

### Harmlessness

In conformity with European standards

### Sizes

7,8,9,10,11

## EN 388 - Mechanical Hazards Abrasion Resistance

Abrasion resistance	3
Cutting resistance (Coupe test)	1
Tear resistance	2
Puncture resistance	1

## EN 374-3 Resistance to

Resistance to permeation by chemicals	AJL
---------------------------------------	-----

## Certifications

### EU Category PPE

3

### EU Certification

0075/1445/162/02/19/0531
